This is a checklist for the Psychology Honors Track only and does not include official general education advising or any of the additional, general Honors Degree requirements.

Advising: Please see Erica Rojas at the Honors College (e.rojas@honors.utah.edu) to receive official advising on the additional requirements needed for the general Honors Degree. Visit Erica Rojas or Aaron Reynolds (a.reynolds@honors.utah.edu) for advising on these particular Psychology requirements. Please meet with Jeanine Stefanucci (jeanine.stefanucci@psych.utah.edu) or Kristina Rand (Kristina.rand@utah.edu) for help on finding research opportunities and the thesis portion of the Honors Track.
