Science or Math course options: HONOR 2113, 2500, 2600, 3215, 3400, 4450, 4471, BIOL 2021, CHEM 1211, 1221, 2311, 2321, MATH 1250, 1260, 1311, 1321, PHYS 3210, 3220

Consult the class schedule each semester for available course options.

All psychology courses must be completed with a B or higher.

*9 credits of Honors Electives in Psychology and 6 credits of Psychology Research Experience required.

Honors Electives in Psychology are courses offered through Psychology Department with an HON attribute or PSY 5000-level and higher (see Major Advisor for more information).

Students transferring to the University of Utah with 59 or more credits only need to complete 3 Honors core courses, 6 credits of electives, and 3 credits of psychology research experience (high school concurrent enrollment courses are not considered transfer credit).

^AResearch hours can be divided among multiple labs in any combination. Meet with your Faculty and Major Advisors for advice on which labs will most interest you and which can count towards your major.
