- | | |
|----------------|--|
| May 14, 2020 | “Training in Integrating Diversity Considerations into Evidence-Based Treatments: Empirically-Derived Guidelines for Clinical Practice”
Invited Half-Day Workshop Sole Facilitator, Department of Psychology, Boston University, Boston, MA |
| April 10, 2020 | “Integrating Diversity Factors into Evidence-Based Treatments: Application and Training in Empirically-Based Guidelines for Diversity Perspectives in Mental Health”
Invited Half-Day Workshop Sole Facilitator, Department of Psychology, University of Pittsburgh, Pittsburgh, PA |

Submitted/unfunded grants, in past year:

1. Distinguishing Adjustment Disorders from Chronic Behavioral Health Disorders After Sexual Assault and Other Military-Relevant Stressors (PI: Leifker)
Funding Agency: Department of Defense
Submitted: October, 2019
Status: Not Funded
Role: Co-Investigator

2. Optimizing Adolescent Mental Health Treatment through Virtual Reality Exergaming (PI: Nelson; Department of Occupational and Recreational Therapies)

Funding Agency: Huntsman Mental Health & Department of Psychiatry Seed Grant

Submitted: March, 2020

Status: Awaiting decision

Role: Major Co-Investigator

Notable Service:

1. Chair of the Continuing Education (CE) Committee for Association of Behavioral and Cognitive Therapies (ABCT). Of note, I have been heavily involved in the past year (beyond my regular heavy service load for this role, which I have carried since 2017) in specifically advocating for, and organizing, special programming related to anti-racism, diversity perspectives, training in race-related topics, and coping with COVID-19, for the organization. I have been serving as a moderator on special sessions and also training others on my committee to engage in this work.
