

Sheila E. Crowell, Ph.D.

Curriculum Vitae

University of Utah ▪ 380 South, 1530 East ▪ Room 502 ▪ Salt Lake City, UT ▪ 84112 ▪ sheila.crowell@psych.utah.edu
<https://psych.utah.edu/people/faculty/crowell-sheila.php>

Education

University of Washington	Child Clinical Psychology	Ph.D., 2009
University of California, Los Angeles	Applied Linguistics	M.A., 2002
Boise State University	Spanish	B.A., Cum Laude, 1999

Professional Positions and Licenses

Associate Professor, Department of Psychology, University of Utah		7/2016 – Present
Adjunct Associate Professor, Department of Psychiatry, University of Utah		7/2016 – Present
Adjunct Association Professor, Department of Obstetrics and Gynecology, University of Utah		7/2019 – Present
Co-Founder, Utah Center for Evidence Based Treatment/ Director, Dialectical Behavior Therapy Program		9/2013 - Present
State of Utah License #8745213-2501	Clinical Psychology	Licensed, 2013 – Present
Assistant Professor, Department of Psychology, University of Utah		1/2010 - 6/2016
Adjunct Assistant Professor, Department of Psychiatry, University of Utah		6/2010 – 2016
Seattle Children’s Hospital - APA Accredited Clinical Internship		2007 - 2008

Grants, Honors, and Awards

2021-2023	Crowell, S. E. & Zalewski, M (MPI). LSRG-1-197-20 “A longitudinal study of maternal self-injurious thoughts and behaviors at the perinatal transition.” Award for \$446,999 from the American Foundation for Suicide Prevention. (Crowell is MPI).
2021	Crowell, S. E. & Asnaani, A. (co-chairs). CSBS Award for Advancing Equity and Connecting Communities. Awarded to the Psychology Department Diversity Committee.
2021	*Molina, N. (PI). Student Research Award from the Consortium for Family and Health Research (C-FAHR). Provides \$1000 for thesis research (Crowell is Mentor).
2020	Crowell, S. E. & Conradt, L. (MPI) “Advancing Current Understanding of how COVID-19 Affects Pregnancy and Childbirth: The COPE Study.” University of Utah Seed Grant Program. Special Emphasis: Emerging COVID-19/SARS-CoV-2. Award for \$25,000 (Crowell is MPI).

- 2020 **Crowell, S. E.** University of Utah Graduate School. Distinguished Mentor Award of Graduate Students and Postdoctoral Scholars (\$2500).
- 2020-2022 *Kaliush, P. K. **F31 MH124275** “Daily dynamics of suicide risk, dysregulation, and sleep disruption across the transition to parenthood.” NIH National Research Service Award. (**Crowell** is primary mentor).
- 2020-2025 Conratt, L. & Lester, B. **R01 DA049755** “Clinical markers of neonatal opioid withdrawal syndrome: Onset, severity, and longitudinal neurodevelopmental outcome. NIH award. (**Crowell** is co-I).
- 2019-2024 **Crowell, S. E.** & Conratt, L. (MPI) **R01 MH119070** “Emotion dysregulation across generations: Identifying early developmental and clinical indicators of risk.” NIH award for \$2,250,000 direct costs (**Crowell** is MPI).
- 2020 **Crowell, S. E.** & Conratt, L. (MPI) **R01 MH119070-02S1** Administrative supplement to “Emotion dysregulation across generations: Identifying early developmental and clinical indicators of risk.” NIH award for \$81,398 (**Crowell** is MPI).
- 2019 Irwin Altman Outstanding Psychology Faculty Award (\$5,000). Given by the psychology department at the University of Utah to one faculty member who has excelled across domains of research, teaching, and service.
- 2018-2020 Langenecker, S. A. & Watkins, E. **R61 MH116080** “Developing rumination-focused treatment to reduce risk for depression recurrence (RDR) in adolescence. NIH award for \$1,775,520 total costs (**Crowell** is co-I).
- 2018 – 2019 Conratt, E. “Epigenetic and neurodevelopmental treatment targets for prenatal opioid exposure.” Grant awarded by University of Utah Consortium for Families and Health Faculty for \$10,000 (**Crowell** is co-I).
- 2016 – 2019 Mezulis, A. **R15 MH098294** “Pathways linking dysregulation in the positive valence system with adolescent depression.” Grant awarded by NIMH. (**Crowell** is consultant).
- 2016 – 2018 **Crowell, S. E.** **R21 MH1109777** “Advancing the science and technology of prenatal programming research.” Grant awarded by NIMH for \$384,233 total costs. (**Crowell** is PI).
- 2016 – 2018 *Grove, J. **F31 MH1083049** “Testing pathways linking sleep quality to self-injurious thoughts and behaviors.” Predoctoral NIH fellowship awarded by NIMH. (**Crowell** is co-mentor).
- 2015 – 2018 Kerig, P. K. **2014-R2-CX-0020** “Factors promoting risk or resilience among polyvictimized youth in the juvenile justice system.” Grant awarded by NIJ for \$816,031 total costs (**Crowell** is Co-Investigator).
- 2014 – 2016 Conratt, E. “Innovative measurements of socio-economic status and maternal mental

health in pregnancy.” Grant awarded by the University of Utah Interdisciplinary Research Pilot Program for \$10,000 (**Crowell** is Co-Investigator).

- 2013 – 2018 Coon, H. **R01 MH099134** “Genetic analysis of high-risk Utah suicide pedigrees.” Grant awarded by NIMH for \$3,411,195 total costs. (**Crowell** is Co-Investigator).
- 2013 – 2018 Price, C. **R01 DA033324** “Body-oriented therapy for women’s substance use disorder treatment.” Grant awarded by NIDA – University of Utah subcontract for \$419,216 total costs. (**Crowell** is Co-Investigator).
- 2011 – 2017 **Crowell, S. E.** NIH Loan Repayment Program, Pediatric – National Institute of Mental Health (NIMH).
- 2013 – 2016 Mezulis, A. **R15 MH098294** “Physiological and cognitive pathways from temperament to adolescent depression.” Grant awarded by NIMH. (**Crowell** is consultant).
- 2012 – 2013 **Crowell, S. E.** “Familial risk for suicide and self-injury: Testing theories in multigenerational pedigrees.” \$30,000 pilot grant from the American Foundation for Suicide Prevention (**Crowell** is PI).
- 2012 – 2013 **Crowell, S. E.** “Family-level risk for suicide and self-injury.” \$30,000 University of Utah Seed Grant (**Crowell** is PI).
- 2012 – 2013 Pre-tenure research sabbatical awarded by the College of Social and Behavioral Sciences
- 2006 – 2009 **Crowell, S. E. F31 MH074196** “Emotion Regulation in Teen Parasuicide and Depression.” \$97,227 *National Research Service Award* (NRSA) awarded by NIMH. (**Crowell** is PI).
- 2007 **Crowell, S. E.** “Adolescent Emotions Project.” Subaward for NIH grant **M01 RR000037-47** for \$3,807. (**Crowell** is PI).
- 2005 **Crowell, S. E.** Lizette Peterson-Homer Injury Prevention Award from APA, Div. 54/ Dissertation award for \$5,000 from the American Psychological Foundation.
- 2003 **Crowell, S. E.** Seattle Children’s Hospital Pediatric Clinical Research Center Pilot Grant (provided full support for master’s thesis data collection in the Pediatric CRC)

Invited Presentations

(*indicates student/trainee co-author at time of talk)

1. **Crowell, S. E.** (2020). Self-harm and suicide: Practical approaches to risk management. Training provided to the Jordan, UT school district.
2. **Crowell, S. E.** (2020). The latest on dialectical behavior therapy and Marsha's memoir. Presentation to community psychologists, hosted by the *Utah Center for Evidence Based Treatment*. Salt Lake City, UT

3. **Crowell, S. E.** (2019). Expanding mental health and suicide prevention in Utah. Presentation hosted by the *Utah Foundation*. Salt Lake City, UT
4. **Crowell, S. E.** (2019). Sorting through risky behavior, suicidality, and non-suicidal self-injury. Presentation given at *Critical Issues facing Youth and Adolescents*. Salt Lake City, UT
5. **Crowell, S. E.** (2019). Dialectical behaviour therapy: Skills for reducing suicidal distress. Presentation given at the *Zero Suicide Summit*. Salt Lake City, UT
6. **Crowell, S. E.** (2019). From womb to adulthood: A translational approach for reducing suffering and preventing suicide. Presentation given at *Grand Rounds for the Brown Department of Psychiatry and Human Behavior and Bradley Hospital*. Providence, RI.
7. **Crowell, S. E.** (2019). A capacity for joy: An evidence-based approach to thriving, preventing suicide, and cultivating resilient communities. Presentation given to the Utah Chapter of the American Foundation for Suicide Prevention (AFSP). Salt Lake City, UT
8. **Crowell, S. E.** & *Kugler, J. (2019). Personality disorders. Training provided to police officers for mental health certification training.
9. **Crowell, S. E.** (2018). Understanding self-harm and suicide: Practical approaches to risk reduction. Training provided to the Jordan, UT school district.
10. **Crowell, S. E.** (2017). Dialectical behavior therapy for substance use: More than just skills. Presentation given at *Addictions Update* conference, Salt Lake City, UT.
11. **Crowell, S. E.** (2017). An evidence-based approach to treating risky and self-injurious behaviors: *Keynote address*. Presentation given to treatment providers at Southern Utah University Mental Health Conference.
12. **Crowell, S. E.** (2017). Parenting a teen in crisis. Presentation given to parents at Southern Utah University Mental Health Conference.
13. **Crowell, S. E.** (2016). Changes to the DSM-5: The good, the bad, and the ugly. Grand Rounds presentation given at the Salt Lake City Veterans Administration.
14. **Crowell, S. E.** (2016). Suicide prevention and intervention. Presentation given at the Troubled Youth Conference, Snow Bird, UT.
15. **Crowell, S. E.** (2016). Working clinically with complex PTSD. Presentation at Huntsman Cancer Institute, Salt Lake City, UT.
16. **Crowell, S. E.** (2015). A developmental psychopathology perspective on the etiology of suicidality. Presentation given at Ohio State University Department of Psychology Colloquium Series.
17. **Crowell, S. E.** (2015). Mindfulness and DBT commitment strategies. Presentation given at *Generations* conference, Salt Lake City, UT

18. **Crowell, S. E.** (2014). Biosocial risk for self-injury. Evaluating data across multiple levels of analysis. Presentation given at grand rounds to the Department of Psychiatry – University of Washington, Seattle.
19. **Crowell, S. E.** (2013). What's in a name? Familial risk for suicide at multiple levels of analysis. Presentation to the Department of Human Development and Psychology – University of California, Los Angeles.
20. **Crowell, S. E.** (2012). Adolescent self-injury and suicide: Balancing risk factors, protective factors, and the need for intervention. Presentation to the Utah Teachers of Psychology.
21. **Crowell, S. E.** (2010). High conflict families: Possible implications for the development of self-injurious behaviors. Departmental colloquium at the University of Utah.
22. **Crowell, S. E.** (2010). Panel presentation on adolescent self-injury and depression. Invited presentation at Utah Valley University.
23. **Crowell, S. E.** (2008). A developmental model of borderline personality and self-inflicted injury. Invited colloquium at the *State University of New York, Stony Brook*. Hosted by Everett Waters.

Peer-Reviewed Presentations and Abstracts

(*indicates student/trainee co-author at time of talk)

24. **Crowell, S. E.** & O'Grady, S. M. (2021, April). Symposium: Self-injurious thoughts and behaviors in understudied samples across the lifespan: Implications for transdiagnostic interventions. Symposium Co-Chair and Moderator. *Society for Research in Child Development Virtual Biennial Meeting*.
25. *Speck, B., Conradt, E., **Crowell, S. E.**, & Raby, K. L. (2021, April). Pregnant women's emotional responses to infant cry stimulus predict later parenting behaviors. Poster presented at the Virtual *Society for Research in Child Development Biennial Meeting*.
26. *Shakiba, N. **Crowell, S. E.**, Raby, K. L., Ostlund, B., *Terrell, S., *Brown, M., *Kaliush, P., *Vlides-Henry, R., *Speck, B., *Neff, D., & Conradt, E. (2021, April). Testing competing models of the intergenerational transmission of emotion dysregulation. Paper presented at the Virtual *Society for Research in Child Development Biennial Meeting*.
27. Raby, K. L., *Speck, B., *Isenhour, J., **Crowell, S. E.**, & Conradt, E. (2021, April). The intergenerational consequences of childhood maltreatment: Secure base script knowledge as a mediator. Paper presented at the virtual biennial meeting of the *Society for Research in Child Development*.
28. *Brown, M. A., Gao, M., *Santana, M. L., *Neff, D., *Vlides-Henry, R. D., Tao, M., **Crowell, S. E.**, Raby, K. L., Conradt, E. (2021, April). Emotionally dysregulated mothers give birth earlier and receive less social support over time during coronavirus pandemic. Virtual biennial meeting of the *Society for Research in Child Development*.

29. *Gao, M., *Kaliush, P. R., *Brown, M., *Shakiba, N., Raby, K. L., Conradt, E., & **Crowell, S. E.** (2021, April 7-9). *Maternal postnatal, but not prenatal, emotion dysregulation predicted infant respiratory arrhythmia responses*. Society for Research in Child Development Virtual Biennial Meeting.
30. Ostlund, B. D., Raby, K. L., Williams, L., **Crowell, S. E.**, Conradt, E., & Drew, T. (2021, April 7-9). Linking prenatal maternal distress and infant neural noise to problem behavior in toddlerhood. In M. Camerota (Chair), *Prenatal distress and neurobehavior in infancy and early childhood: Testing putative biological mechanisms* [Symposium]. Society for Research in Child Development (SRCD) Biennial Meeting, Minneapolis, MN, United States.
31. *Kaliush, P. R., *Isenhour, J., *Brown, M., *Vlisides-Henry, R. D., *Gao, M. M., Raby, K. L., Conradt, E., & **Crowell, S. E.** (2021, April). Parenting among women with and without SITB histories: A call for transdiagnostic perinatal healthcare. Virtual biennial meeting of the *Society for Research in Child Development*.
32. *Vlisides-Henry, R. D., *Terrell, S., *Santana, M. L., Raby, K. L., Dorn, U., *Gao, M., *Kaliush, P. R., Smid, M., Conradt, E., **Crowell, S. E.** (2021, April). Machine learning reveals that prior pregnancy experiences, race/ethnicity, and emotion dysregulation predict newborn health outcomes [Flash talk paper presentation]. *Society for Research in Child Development* Virtual Biennial Meeting.
33. Speck, B., Brown, M., *Gao, M., *Kaliush, P. R., Shakiba, N., Conradt, E., **Crowell, S. E.**, & Raby, K. L. (2020, October). Maternal and infant RSA and SCR responses to the Still-Face Paradigm. Poster presented at the *International Society for Developmental Psychobiology Annual Meeting*. Rockville, Maryland.
34. *Vlisides-Henry, R. D., **Crowell, S. E.**, Butner, J., Terrell, S., Neff, D., Shakiba, N., Ostlund, B. D., & Conradt, E. (2020, July 6–9). Intrapersonal dynamics: Physiological-behavioral coordination as a marker of prenatal emotion dysregulation [Poster presentation]. *International Congress of Infant Studies Biennial Meeting*, Glasgow, Scotland, United Kingdom [Presented virtually due to COVID-19].
35. *Terrell, S., Conradt, E., Brown, M., Olavson, K., Santana, M., Vlisides-Henry, R. D., Smid, M. C., & **Crowell, S. E.** (2020, July 6–9). Prenatal maternal emotion dysregulation has indirect effects on newborn growth and health through psychotropic medication usage [Poster presentation]. *International Congress of Infant Studies Biennial Meeting*, Glasgow, Scotland, United Kingdom [Presented virtually due to COVID-19].
36. *Kaliush, P. R., Conradt, E., Raby, K. L., Neff, D., Vlisides-Henry, R. D., Terrell, S., & **Crowell, S. E.** (2020, June 26–27). Mental health experiences and suicidal thoughts among pregnant women with histories of self-injurious behaviors [Oral presentation]. *International Society for the Study of Self-Injury Annual Conference*, Vienna, Austria [Presented virtually due to COVID-19].
37. **Crowell, S. E.** (2019). Advances in perinatal mental health: Extending the reach of cognitive-behavioral science to an understudied, vulnerable population. Symposium discussant at the *Association for Cognitive and Behavioral Therapies*, Atlanta, GA.
38. *Vlisides-Henry, R. D., *Kaliush, P. R., **Crowell, S. E.**, Ostlund, B. D., Brown, M., Shakiba, N., Terrell, S., Smid, M. C., & Conradt, E. (November, 2019). *Maternal prenatal anxious behavior predicts*

newborn outcomes: Implications for maternal and neonatal health care. Paper presented at the *Association for Behavioral and Cognitive Therapies*, Atlanta, GA.

39. Shakiba, N., Brown, M., Terrell, S., Ostlund, B. D., Raby, K. L., **Crowell, S. E.**, & Conradt, E. (2019). Prospective biobehavioral prenatal predictors of maternal sensitivity. Paper presented at the *Society for Research in Child Development*, Baltimore, MD.

Individual differences in emotional and physiological responses to aesthetic stimuli: Personality, sleep quality, and resting respiratory sinus arrhythmia. Poster to be presented to the *Association for Psychological Science*.
79. *Yu, Y., *Schwartzman, B., **Crowell, S. E.**, & Woods, J. J. (2014). Comparing the psychophysiological responses of typically developing children and children with ASD to emotion inducing videos: Preliminary results. Poster presented to the *Center for Research on Special Education, Disabilities, & Developmental Risk*.
80. **Crowell, S. E.**, Davidson, L. E., Gress, R. E., Kolotkin, R. L., Hunt, S. C., & Adams, T. D. (2013). Suicide risk in gastric bypass patients relative to a non-surgery comparison group and population controls. Poster presented at the national conference for the *Obesity Society*. *Received best poster award.
81. Coon, H., Darlington, T., Pimentel, R., Smith, K. R., Huff, C., Hu, H., Jerominski, L., Hansen, J., Klein, M., Callor, W. B., Byrd, J., Bakian, A., **Crowell, S. E.**, McMahan, W. M., Rajamanickam, V., Camp, N. J., McGlade, E., Renshaw, P., Yurgelun-Todd, D., Grey, T., & Gray, D. (2013). Genetic risk factors in two Utah pedigrees at high risk for suicide. Poster presented at the national conference for the *American Society of Human Genetics*.
82. **Crowell, S. E.**, *Yaptangco, M., Baucom, B. R., McCauley, E., & Beauchaine, T. P. (2013). Relations between respiratory sinus arrhythmia, self-injury, and depression: Does the biological sensitivity to context theory resolve discrepant findings? Talk presented at *Society for Research on Child Development*.

83. Mezulis, A., Crystal, S., Pegram, K., & **Crowell, S. E.** (2013). Physiological stress responding among youth with or at-risk for psychopathology. Poster presented at *Society for Research on Child Development*.
84. *Yaptangco, M., *Skidmore, C. R., *O'Connor, C. G., *Bride, D. L., & **Crowell, S. E.** (2012). Avoidant coping moderates the relation between respiratory sinus arrhythmia and emotion regulation. Poster presented at *Society for Research on Child Development - Themed Meeting*.
85. Mezulis, A., **Crowell, S. E.**, Rudolph, M., Davis, K. & Laney T. (2012). Psychophysiological responses to induced stress (RSA & EDR) as predictors of trait and state rumination. Poster presented at the *Society for Psychophysiological Research*.
86. *Hansen, E., *Bride, D. L., & **Crowell, S. E.** (2012). Is trait harm avoidance related to physiological markers of anxiety? Presented at the University of Utah symposium for the Undergraduate Research Opportunity Program (UROP).
87. **Crowell, S. E.**, *Bride, D. L., *Skidmore, C. R., *O'Connor, C. G., *Allred, C., & Stefanucci, J. K. (2012). Concordance and discordance between self-report and psychophysiological assessments across several discrete emotion elicitation tasks. Paper presented at the *Society for Research on Adolescence*, Vancouver, British Columbia.
88. *Bride, D. L., **Crowell, S. E.**, *Skidmore, C. R., *O'Connor, C. G., *Nguyen, T., *Hansen, E., & Stefanucci, J. K. (2012). Psychophysiological responding to 2D versus 3D film clips. Poster presented at the biennial meeting of the *Society for Research on Adolescence*, Vancouver, British Columbia, Canada.
89. **Crowell, S. E.**, Beauchaine, T. P., *Bride, D. L., Hsiao, R. C. & McCauley, E. (2011). Dyadic psychophysiology during conflict: Family process and emotion dysregulation in self-injuring and depressed adolescents. Paper presented at the *Society for Research in Child Development*.
90. Mead, H., **Crowell, S. E.**, Beauchaine, T. P., & *Thieme, A. (2011). Parenting and emotion regulation skills mediate maternal borderline personality traits and children's behavioral problems. Poster presented at the *Society for Research in Child Development*.
91. **Crowell, S. E.**, Beauchaine, T. P., *Yaptangco, M., *Linoff-Harpham, D. J., Hsiao, R., & McCauley, E. (2010). Emotion dysregulation and psychopathology among adolescent girls at high risk for borderline personality disorder. Paper presented at *Society for Research in Adolescence*.
92. **Crowell, S. E.**, Beauchaine, T. P., *Vasilev, C., Hsiao, R., & McCauley, E. (2009). Observed mother-daughter conflict and emotion regulation among self-injuring adolescent girls. Paper presented at *Society for Research in Child Development*.
93. **Crowell, S. E.** (2007). The development of borderline personality disorder. Paper presented at *Society for the Study of Human Development*.
94. **Crowell, S. E.**, Beauchaine, T. P., & McCauley, E. (2007) Emotion regulation in parent-child interactions: A comparison of parasuicidal and normal adolescents. Part of a paper symposium on

emotion regulation moderated by S. Hinshaw. Presented at *Society for Research on Child Development*.

95. **Crowell, S. E.**, Beauchaine, T. P., Marsh, P., Shannon, K. E., Neuhaus, E., & Chipman-Chacon, J. (2006). Correspondence between psychophysiological and self-report measures of emotion regulation in a pre-adolescent sample. *Psychophysiology*, *43*, S32. (abstract).
96. **Crowell, S. E.**, Stevens, A. L., Smith, C. J., Beauchaine, T. P., & McCauley, E. (2005). Psychological, autonomic, and serotonergic correlates of parasuicide among adolescent girls. *Psychophysiology*, *42*, S45. (abstract).
97. Gatzke-Kopp, L., Beauchaine, T. P., Brenner, S., **Crowell, S.E.**, Mead, H., Marsh, P., Shannon, K., Chipman-Chacon, J., & Fleming, A. (2005). Test-retest reliability of autonomic nervous system functioning in a longitudinal developmental study. *Psychophysiology*, *42*, S57. (abstract).
98. Mead, H. K., Beauchaine, T. P., Gatzke-Kopp, L. M., Brenner, S., **Crowell, S. E.**, Marsh, P., Shannon, K. E. (2005). Autonomic profiles of preadolescent boys with conduct disorder, depression, and both psychiatric conditions. *Psychophysiology*, *42*, S88. (abstract).
99. Marsh, P., Beauchaine, T. P., Fleming, A., Chipman-Chacon, J., Brenner, S. L., **Crowell, S. E.**, Gatzke-Kopp, L. M., Mead, H. K., & Shannon, K. E. (2005). Dissociation of facial expressions of emotion and autonomic nervous system responding in children with conduct disorder. *Psychophysiology*, *42*, S99. (abstract).
100. Shannon, K. E., Beauchaine, T. P., Gatzke-Kopp, L. M., Brenner, S. L., **Crowell, S. E.**, Mead, H. K., & Marsh, P. (2005). Respiratory sinus arrhythmia moderates the relation between maternal melancholia and child depression. *Psychophysiology*, *42*, S115. (abstract).
101. Mead, H. K., Beauchaine, T. P., Brenner, S. L., **Crowell, S. E.**, Kopp, L., & Marsh, P. (2004). Autonomic response patterns to reward and negative mood induction among children with conduct disorder, depression, and both psychiatric conditions. *Psychophysiology*, *41*, S52. (abstract).
102. Chipman-Chacon, J., Beauchaine, T. P., **Crowell, S. E.**, Kopp, L., Mead, H. K., & Sylvers, P. D. (2004). Cardiovascular and electrodermal correlates of attention-deficit/hyperactivity disorder in preschool children. *Psychophysiology*, *41*, S52. (abstract).
103. **Crowell, S. E.** (2002). Hippocampal learning and memory: Perspectives from second language acquisition. Paper presented at the *American Association for Applied Linguistics*.

Teaching

Courses Taught at the University of Utah

Undergraduate Courses

Abnormal child psychology

Taught spring, 2011; spring, 2012; spring, 2019, fall 2019

Graduate Courses

Research methods	Taught fall, 2010; spring, 2012; spring, 2018
Psychopathology	Taught annually 2010-2015; 2017-2020
Advanced psychopathology	Taught spring, 2014
Practicum in evidence based treatment	Taught fall, 2014 – spring, 2015
Predocutorial psychology internship preparation	Taught fall, 2015
Developmental psychopathology seminar (child and adolescent DBT)	Taught spring, 2019

Additional Teaching and Guest Lectures

University of Utah

Annually, 2010-2019	Guest lecture on Dialectical Behavior Therapy
10/2013 - 3/2014	Co-Taught the Dialectical Behavior Therapy Pre-Practicum (graduate)

University of Washington

09/2008 - 12/2008	Co-Instructor, Biological Bases of Psychopathology (graduate)
05/2008	Guest lecture on depression and suicide
06/2006 - 08/2006	Instructor, Child and Adolescent Behavior Disorders
09/2005 - 12/2005	Teaching Assistant, Abnormal Psychology
11/2005	Guest lecture on youth suicide in Abnormal Psychology
03/2005 - 06/2005	Teaching Assistant, Abnormal Psychology

University of California, Los Angeles

04/2002 - 06/2002	Instructor, English Composition
09/2001 - 06/2002	Teaching Assistant, English Composition
09/2000 - 12/2000	Teaching Assistant, Communication Studies

Clinical Experiences

10/13 - present	Director: Dialectical Behavior Therapy Program at Utah Center for Evidence Based Treatment	Salt Lake City, UT
10/13 - present	Training Director at Utah Center for Evidence Based Treatment	Salt Lake City, UT
09/11 - 01/14	Consultant: Dialectical Behavior Therapy Treatment and Consultation Team	SLC Veteran's Administration
09/11	Intensive group training - Dialectical Behavioral Therapy	Charleston, WV
07/08 - 09/09	DBT Therapist, Evidence Based Treatment Centers of Seattle	Seattle, WA
05/06 - 06/07	DBT Therapist, Linehan's Behavioral Research and Therapy Clinic	University of Washington
07/06 - 12/06	Attended intensive DBT training seminar	Harborview Medical Center

09/05 - 06/06	Therapy Intern, Adolescent Dialectical Behavior Therapy	Seattle Children's Hospital
04/06	Attended Linehan 2-day Workshop on DBT Skills Training	University of Washington
01/05 - 12/05	Assessment Intern and Psychometrist	LEARN Clinic, Seattle, WA
06/04	Attended Linehan 3-day Workshop on Suicide Prevention	University of Washington
09/03 - 06/07	Therapist, Psychological Services and Training Clinic	University of Washington

Professional Service

National Service

2020-2024 Standing member for NIH, *Study Section: Child Psychopathology and Developmental Disability*

02/2019 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

06/2018 Ad Hoc Reviewer for NIH, *Study Section: Mechanisms of Stress and Health*

02/2018 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

10/2017 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

06/2017 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

10/2016 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

06/2013 Ad Hoc Reviewer for NIH, *Study Section: Child Psychopathology and Developmental Disability*

Professional Service at the University of Utah

Committees and other University Work

2010 – Present Clinical Training Committee (CTC)

2020 – Present Member, McKluskey Center for Violence Prevention

2019 – Present Member, Psychology Department Personnel Committee

2018 – 2021 Elected Member, Senate Personnel and Elections Committee

2020 – 2021 Co-Chair, Psychology Diversity Committee

2021 Reviewer, University of Utah Mentorship Award Committee

2017 – 2020 Chair, Psychology Diversity Committee

2017 – 2019 Member, Academic Senate (Psychology Department Representative)

2018 – 2019 Search committee member, Clinical diversity scholar hire

2015 – 2016 Neuroscience Initiative Committee: Mood & Behavior Disorders Steering Committee

2015 – 2016 Member, Psychology Diversity Committee

2014 – 2015 College of Social and Behavioral Sciences Curriculum Committee

2010 – 2014 Psychology Department Graduate Committee

2010 – 2012 Clinical Area Internship Support Coordinator

3/2012 Reviewer for the University Teaching Award (UTA) for the graduate school

3/2012	Panel discussant on choosing a graduate degree program - Hosted by Psi Chi
5/2011	Volunteer College Social Behavioral Sciences Convocation
2010 – 2011	Psychology Department Graduate Mentorship Task Force
2009 – 2010	Behavioral Science and Health Committee

Thesis, Preliminary Exam, Dissertation Committees, and Mentorship

Current graduate student advisees

Parisa Kaliush (4th year)

Robert Vlisides-Henry (4th year)

Nicolette Molina (1st year)

Graduate student co-advisees

Leah Thompson (1st year)

Former graduate student advisees

Erin Kaufman (Ph.D. granted 2018)

Mona Yaptangco (Ph.D. granted 2017)

Megan Puzia (terminal MA, 2018)

Chloe Skidmore (terminal MA, 2016)

Former graduate student co-advisees

Amy Hughes (Ph.D. granted 2015)

Daniel Bride (terminal MA, 2015)

Brendan Ostland (Ph.D. granted 2019)

Jeremy Grove (Ph.D. granted 2019)

Dissertation, chair (alphabetical)

Erin Kaufman

Title: Parent-child conflict, validation, and biosocial mechanisms of risk for adolescent self-inflicted injury

Melinda White (Department of Social Work; co-chair)

Title: Examining characteristics of the mother-daughter relationship and adolescent girls' self-injury

Mona Yaptangco

Title: Exploring mechanisms of peer social support as a potential protective factor for self-injuring adolescents

Robert Vlisides-Henry

Title: Using Smartphone-Based Digital Phenotyping to Characterize Prenatal Maternal Mental Health: An Idiographic and Theory-Driven Approach

Dissertation, committee member (alphabetical)

Diana Bennett

Title: Psychophysiological correlates of primary and trauma-related acquired callousness in a sample of detained youth

Sarah Crystal (Seattle Pacific University)

Title: The Effect of emotional vulnerability and invalidation on emotion dysregulation in early adolescence: An empirical investigation of Linehan's biosocial theory of borderline personality disorder

Janna Dickenson

- Title:* Neurobiological and attentional underpinnings of female sexual arousal
Jeremy Grove
Title: Examining the link between sleep and suicidal thoughts and behaviors: The role of self-regulatory capacity
- Julia Harris
Title: An examination of the maintenance of suicidal thoughts from a process model of emotion regulation perspective
- Michael Hollingshaus (Department of Sociology)
Title: Early-life parental death, familial susceptibility, suicide, and behavioral health” A life-course study from the Utah Population Database
- Amy Hughes
Title: Self-control in the regulation of daily negative affect and blood glucose control in adolescents with Type 1 Diabetes.
- Lucybel Mendez
Title: Parallel Processes involving Gang Involvement, Victimization, and Violence Perpetration: The Role of Posttraumatic Stress Symptoms
- Crosby Modrowski
Title: Risk factors and mechanisms associated with crossing over from child welfare to the juvenile justice system
- Michaela Mozley
Title: Racial Differences in Risk and Protective Factors Associated with Psychopathic Traits in Adolescence
- Nila Shakiba
Title: Mismatch or cumulative stress: Advancing our understanding of the intergenerational transmission of stress exposure
- Marissa Rudolph (Seattle Pacific University)
Title: The ABCs of stress responding: Examining the time course of affective, biological, and cognitive responses to induced stress as prospective predictors of depressive symptoms.
- Brittany Willey (Seattle Pacific University)
Title: Respiratory sinus arrhythmia in young adults: Identifying naturally-occurring response patterns and outcomes
- Andrea Wolfe-Clark
Title: Using multilevel modeling to differentiate how risk factors predict suicidal ideation and behaviors over time in military personnel

Preliminary exam, chair (alphabetical)

- Mona Yaptangco, Research exam
Amy Hughes, Research exam
Erin Kaufman, Research exam
Chloe Skidmore, Research exam

Preliminary exam, committee member (alphabetical)

- Diana Bennett, Research exam
Matthew Cribbet, Research exam
Jeremy Grove, Research exam
Christina Hudak, Research exam
Jennifer Larson, Research exam
Crosby Modrowski, Research exam

Peter Osborn, Research exam
Brendan Ostland, Research exam
Cheryl Schindler, Research exam
Melinda White, Research exam (Department of Social Work)

Malinda Frietag, Clinical exam
Christina Hudak, Clinical exam
Peter Osborn, Clinical exam
Cheryl Schindler, Clinical exam

Master's thesis, chair (alphabetical)

Parisa Kaliush

Title: Maternal childhood maltreatment and stress during pregnancy

Erin Kaufman

Title: Biosocial correlates of identity disturbance in a sample of suicidal youth

Megan Puzia

Title: Genetic risk factors for suicide in personality pathology: Analysis of candidate gene associations and shared genomic segments

Chloe Skidmore

Title: Disclosure of self-injurious behaviors in a community sample of adolescents

Robert Vlisides-Henry

Title: Like mother like daughter (or son): Prenatal exposure to maternal stress and emotion dysregulation as predictors of newborn neurobehavior

Mona Yaptangco

Title: Is there a meaningful relation between respiratory sinus arrhythmia and depression among emerging adults?

Master's thesis, committee member (alphabetical)

Kendrick Allen

Title: How status in society relates to sexual minorities' relative power in romantic relationships and reactivity to relationship conflict

Diana Bennett

Title: Psychophysiological correlates of primary and secondary callous-unemotional traits in detained youth

Emilie Franchow

Title: The burden of state emotion regulation and executive functioning

Julia A. Harris

Title: Self-Injurious Thoughts and Behaviors Interview (SITBI), Version 2.0: Reliability and validity in a military & veteran sample

Kent D. Hinkson, Jr.

Title: Disaggregating the effects of PTSD on academic performance in a veteran sample

Amy E. Hughes

Title: Regulatory benefits of emotional processing and self-control in adolescents with type 1 diabetes

Mallory Kidwell

Title: Affect dysregulation after victimization: Psychophysiological correlates of emotional under- and overmodulation in adolescents exposed to trauma

Crosby A. Modrowski

Title: Investigating the validity of the dissociative subtype of PTSD in a sample of traumatized justice involved youth

Michaela Mozley

Title: Posttraumatic overmodulation, callous traits, and offending among justice-involved youth

Erika Roberge

Title: Longitudinal analysis of the role of insomnia in suicide risk amongst suicide ideators and attempters

Leigh Spivey

Title: Parent responses to childhood gender non-conformity: Effects of parent and child characteristics

Brian C. Thoma

Title: The health consequences of racist and anti-gay discrimination for multiple minority adolescents

Leah Thomas

Title: Adverse Childhood Experiences and Perceived Family Support as Moderators of the Relationship between Inhibitory Control and Rumination in Adolescents with Remitted Depression

Sarah Turner

Title: Attention problems as a predictor of adherence and metabolic control in adolescents with type 1 diabetes

Undergraduate mentorship at the University of Utah

I typically mentor between 5 -15 undergraduate students each semester and 1-3 honor's thesis or UROP students. Contact me for a full list of undergraduate advisees.

Professional Affiliations

Current:

Association for Behavioral and Cognitive Therapies

Society for Research in Child Development/Society for Research on Adolescence

Society for a Science of Clinical Psychology

Past:

American Psychological Association

Society of Pediatric Psychology (APA, Division 54)

Society of Clinical Child and Adolescent Psychology (APA, Division 53)

Society for Psychophysiological Research

Other Professional Activities

Guest co-editorships

Conradt, E. & **Crowell, S. E.** (forthcoming). Special issue of *Development and Psychopathology* on Developmental Psychopathology and the Research Domain Criteria (RDoC) Perspective

Crowell, S. E., *Vlisides-Henry, R., & Lougheed, J. (2021). Special issue of *Biological Psychology* entitled: Biological, emotional, and behavioral concordance: Multi-level, multi-person approaches to health across the lifespan.

Hollenstein, T. & **Crowell, S. E.** (2013). Special issue of *Biological Psychology* entitled: Whither Concordance? Autonomic Psychophysiology and the Behaviors and Cognitions of Emotional Responsivity.

Editorial board

2014-2021: *Personality Disorders: Theory, Research, and Treatment*

Ad hoc Reviewer

I review journal articles regularly as an ad hoc reviewer. A list of journals can be provided upon request.
