

Department of Psychology, University of Utah
380 South 1530 East, Rm. 502
Salt Lake City, UT 84112
Voice: (801) 585-0796
FAX: (801) 581-5841
yana.suchy@psych.utah.edu

Utah Clinical Psychology License: 5263131-2501
ABPP-CN (Board Certified in Clinical Neuropsychology)

EDUCATION

University of Wisconsin – Milwaukee	Ph.D. (Clinical psychology)	1998
University of Wisconsin – Milwaukee	M.S. (Clinical psychology)	1995
University of Wisconsin – Parkside	B.S. (Psychology & English)	1991

PROFESSIONAL HISTORY

2015-present - Professor of Psychology & Adjunct Professor of Neurology
Departments of Psychology & Neurology, University of Utah

2008-2015 - Associate Professor of Psychology & Adjunct Associate Professor of
Neurology
Departments of Psychology & Neurology, University of Utah

2002-2008 - Assistant Professor of Psychology
Department of Psychology, University of Utah

2002-2014 - Clinical Neuropsychology Program Coordinator
Department of Psychology, University of Utah

2000-2002 - Research Associate, Department of Psychology, Finch University of Health
Sciences (currently Rosalind Franklin University), North Chicago, IL

1998-2000 - Postdoctoral Fellow in Clinical Neuropsychology, Northwestern
Evanston Healthcare, Evanston, IL
Program Director: Jerry J. Sweet, Ph.D., ABPP-CN

1997-1998 - Predoctoral Intern, Neuropsychology Track
Cleveland VAMC, Cleveland, OH

MEMBERSHIP IN PROFESSIONAL ORGANIZATIONS

American Psychological Association (APA)
Society for Clinical Neuropsychology--Division 40 of the APA--**Fellow**
American Academy of Clinical Neuropsychology (AACN)
International Neuropsychological Society (INS)
National Academy of Neuropsychology (NAN) – **Fellow**
Women in Neuropsychology (WIN)

HONORS, AWARDS, and NOMINATIONS

2012 Awarded Fellow status in the APA Division 40
2012 Awarded Fellow status in the National Academy of Neuropsychology
2011 Nominated for Excellence in Mentoring Award, College of Social and Behavioral
 Sciences, University of Utah
2011 Featured in the WINner's BOX of the APA Division 40 Newsletter
1998 Postdoctoral Fellowship in Clinical Neuropsychology
1996 UWM Dissertator Fellowship
1995 UWM Graduate School Fellowship
1994 UWM Graduate School Fellowship
1992 Outstanding Graduate Award
 Chancellor's Award
1991 Kenosha Foundation Scholarship
 English Department Scholarship
1990 Decker-Buchaklian Memorial Scholarship
 Academic Achievement Award in Psychology
1989 Outstanding Freshman Award
 Drozd Memorial Scholarship

EDITORIAL WORK

Editor-in-Chief

The Clinical Neuropsychologist (the official journal of the American Academy of Clinical Neuropsychology): EIC-Elect 2015; EIC 2016 to present

Associate Editor:

Journal of the International Neuropsychological Society (2012 and 2013)

Editorial Board Member:

The Clinical Neuropsychologist (2004 through 2014)

Journal of the International Neuropsychological Society (2007 - 2011, 2014 to present)

Neuropsychology Review (2011 to present)

Psychological Assessment (2015 to present)

Revista Iberoamericana de Neuropsicología (2017 to present)

Regular ad hoc reviewer:

American Psychologist
Annals of Behavioral Medicine
Archives of Clinical Neuropsychology
Brain Injury
Clinical Psychology in Medical Settings
Cognitive and Behavioral Neurology
Health Psychology
Journal of Behavioral Medicine
Journal of Clinical and Experimental Neuropsychology
Journal of Forensic Psychiatry
Journal of Geriatric Psychiatry and Neurology
Journal of Sexual Medicine
Neurocase
Neuropsychologia
Neuropsychology
Personality Disorders: Theory, Research, and Treatment
Sexual Abuse: Journal of Research and Treatment

PROFESSIONAL SERVICE

Organization Board Membership:

- International Neuropsychological Society, Member-at-Large (elected position, 2016 to 2019)
- Brain Injury Association of Utah, Board of Directors (2003-2006)

National/International Committees:

- Membership Committee (Chair) for the International Neuropsychological Society (2018 to present)
- Program Committee (Co-Chair) for the International Neuropsychological Society Mid-Year Prague meeting (2018)
- Cultural Neuropsychology Summit: Educational and Training Work Group (2017)
- Membership Task Force (Chair) for the International Neuropsychological Society (2016 to 2018)
- Program Committee for the International Neuropsychological Society (2011)
- National Academy of Neuropsychology Awards Committee (2013 to 2015)

University of Utah Committees:

- Personnel Committee, Department of Psychology, University of Utah (2010-2014; 2016; 2017 to 2019: Chair)
- Clinical Psychology/Diversity Search Committee, University of Utah, 2018.

- Clinical Training Committee, Department of Psychology, University of Utah (2002-present)
- Teaching Award Committee (2014/2015)
- Professional Integrity and Ethics (PIE) Committee, Department of Psychology, University of Utah (2014/2015)
- Clinical Neuropsychology Program Coordinator (2002-2014)
- Curriculum Committee, College of Social and Behavioral Sciences (2013/2014)
- Superior Research Award Committee, College of Social and Behavioral Sciences (2012/2013)
- Clinical Neuropsychology Search Committee: Chair (2011/2012)
- Honors Program Advisor for Psychology (2009-2011)
- Retention, Promotion, and Tenure committee, College of Social and Behavioral Sciences, University of Utah (2009-2010)
- Cognitive and Neural Sciences Search Committee (2003)
- Graduate Committee, Department of Psychology, University of Utah (2002-2008)

Contributor:

- INS-NET (International Neuropsychological Society newsletter)

RESEARCH GRANTS & AWARDS

Funded:

2015—2016

National Academy of Neuropsychology

“Can motor-sequencing training improve cognition and IADL performance among community-dwelling older adults?”

\$14,932.-

Y. Suchy: PI

M. Niermeyer: Co-PI

2015-2016

University of Utah Neuroscience Initiative Pilot Collaborative Project

“Examination of Neurobehavioral and Neurophysiological Mechanisms Underlying Habitual Short Sleep Duration”

\$48,250

Role: Co-investigator

Paula Williams: PI

2014—2019

NIDDKD 1DP3DK103999-01

“Self-regulation and collaborative coping with Type 1 Diabetes over the life span”

\$3,874,558.-

Effort (average across years): 12%

Role: Co-Investigator

C. Berg and V. Helgeson: MPI

2011—2016

NIDDKD 1R01DK092939-01

“A self-regulation approach to diabetes adherence into emerging adulthood”

\$2,790,631.-

Effort (average across years) 10%

Role: Co-Investigator

C. Berg: PD/PI

D. Wiebe: MPI

2011—2012

Tourette Syndrome Association

“The effect of tic suppression on current and subsequent executive control”

\$66,000.- funded

Effort: 8%

Role: Co-PI

M.B. Himle: PI

2009—University of Utah Funding Incentive Seed Grant

“Stress Regulation and Insomnia: Neuropsychological and Psychophysiological Pathways”

\$22,400.-

Role: Co-PI

Paula Williams: PI

2009—University of Utah Department of Neurology Incentive Grant

“Dynamic Risk Factors that Predict Cognitive Decline in Older Adults”

\$30,000.-

Role: Co-PI

Gordon Chelune: PI

2008—University of Utah Funding Incentive Seed Grant

“Frontal-Subcortical Brain Circuit Function and Normal Aging”

\$35,000.-

Role: Co-PI

William Marchand: PI

2008—International Neuropsychological Society Charles Matthews Support Fund

“Neuropsychology in the Czech Republic.”

5000.-

Role: Co-PI (also with Bernice Marcopulos, Tom Hammeke, & David Schretlen)

Julie Bobholz: PI

2006—Department of Veterans Affairs MIREC pilot study support
“Functional and Structural MRI Evaluation of Neurotrauma”
\$20,000.-
Role: Co-PI
William Marchand: PI

2006—College of Health Research and Creative Grant Competition
“Physical activity and mental restoration: The effects of intensity and duration on the reversal of attentional fatigue in campus recreation participants”
\$ 5,000.-
Role: Co-PI
Jim Sibthorp: PI

2004—University of Utah Funding Incentive Seed Grant
“Neurocognitive deficits among certain psychiatric populations”
\$27,000.-
Role: PI
Donald Strassberg: Co-PI.

Not funded:

2019—Retirement Foundation
Characterizing and Predicting Risk for Functional Lapses Among Cognitively Healthy Older Adults
Role: PI

2018--National Institute on Aging (R01)
Predicting actual daily functional lapses among patients with amnesic MCI
Role: PI

2017--National Institute on Aging (R01)
\$1,430,075.-
“Reaction to novelty as a marker for intermittent functional lapses among older adults.”
Role: MPI with Matt Euler

2016-- National Institute on Aging (R01)
\$1,123,395.-
“Innovative normative solutions for prediction of functional lapses in older adults”
Role: PI

2014—National Institute of Justice
“Dynamic fluctuations in offender decision-making and implications for desistance from crime”
Role: PI with D. Strassberg

2013—National Institute of Justice

“Do dynamic fluctuations in executive cognitive functions contribute to offender decision-making?”

\$567,506

Role: PI with D. Strassberg

2012--NIA (R-21)

“Reaction to novelty, openness to experience, and the ability to benefit from practice as predictors of incipient cognitive decline among older adults”

\$275,000.- not funded, scored

Role: PI

2012--NIMH (R-21)

“Dynamic changes in executive control as a function of suppression of sexual arousal among pedophilic and non-pedophilic child molesters”

\$275,000.- not funded, scored

Role: PI with D. Strassberg

2011—NIH (R-21)

RFA-AG-11-010: Basic Research on Self-Regulation

“Motor planning latencies as neuromarkers for integrated self-regulation substrate”

\$275,000.- not funded

Role: PI

2006—The Harry Frank Guggenheim Foundation

“Examination of neurologic co-morbidities and neurocognitive profiles among pedophilic and non-pedophilic child molesters”

\$ 40,930.- not funded

Role: PI

2006—Department of Veterans Affairs Grant

“Functional and Structural MRI Evaluation of Neurotrauma”

\$381,050.- not funded

Role: Co-PI

William Marchand: PI

PEER-REVIEWED PUBLICATIONS

(students supervised as co-authors are *italicized*)

1. *Niermeyer, M.A., & Suchy, Y.* (in press). Walking, talking, and suppressing: Executive functioning mediates the relationship between higher expressive suppression and

- slower dual-task walking among older adults. *The Clinical Neuropsychologist, Special Issue*.
2. Niermeyer, M.A. & Suchy, Y. (in press). The Vulnerability of Executive Functioning: The Additive Effects of Recent Non-Restorative Sleep, Pain Interference, and Use of Expressive Suppression on Test Performance. *The Clinical Neuropsychologist, Special Issue*.
 3. Suchy, Y., Ziennik, R., Niermeyer, M.A., & Brothers, S. (in press). Executive Functioning Interacts with Complexity of Daily Life in Predicting Daily Medication Management among Older Adults. *The Clinical Neuropsychologist, Special Issue*.
 4. Suchy, Y., Butner, J., Wiebe, D.J., Campbell, M., Turner, S.L., & Berg, C.A. (in press). Executive Cognitive Functions and Behavioral Control differentially predict HbA1c in Type 1 Diabetes across emerging adulthood. *The Journal of the International Neuropsychological Society*.
 5. Williams, P.G., Cribbet, M., Rau, H.K., Tinajero, R., Thayer, J.F., & Suchy, Y. (2019). The association between individual differences in executive functioning and resting high-frequency heart rate variability. *Biological Psychology, 148*, 107772.
 6. Ziennik, R.E., & Suchy, Y. (in press). Ecological validity of performance-based measures of executive functions: Is face validity necessary for prediction of daily functioning? *Psychological Assessment*.
 7. McGarrity, L.A., Huebner, D.M., Smith, T.W., & Suchy, Y. (in press). Minority stress, emotion regulation, and executive function: An experimental investigation of gay and lesbian adults. *Personality and Social Psychology Bulletin*.

INVITED TALKS AND WORKSHOPS (PROFESSIONAL)

1. **Suchy, Y.** (2019, October). "Contextually Valid Executive Assessment (ConVExA): A new approach to addressing ecological validity." Keynote Address presented at XVI Congress of the Latin American Society of Neuropsychology (SLAN) in Lima, Peru.
2. **Suchy, Y.** (2019, October). "Identical Twins Discordant for Traumatic Brain Injury: When Science Meets Practice." Presented as part of an invited symposium at XVI Congress of the Latin American Society of Neuropsychology (SLAN) in Lima, Peru.
3. **Suchy, Y.** (2019, June). "Poor ecological validity of traditional measures of executive functions: Fact or fiction?" Three-hour CE workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology (AACN) in Chicago, IL.
4. **Suchy, Y.** (2019, February). "Contextually Valid Executive Assessment (ConVExA): A new approach to addressing ecological validity." Three-hour CE workshop presented at the annual meeting of the International Neuropsychological (INS) Society in New York.
5. **Suchy, Y.** (2018, June). "Book writing 101: How to write, finish, and sell your book." One-hour CE workshop presented at the AACN in San Diego, CA.
6. **Suchy, Y.** (2018, May). "Executive functioning: A comprehensive guide for clinical practice." A six-hour CE workshop presented at the annual meeting of the South African Neuropsychological Association (SACNA) in Johannesburg, South Africa.
7. **Suchy, Y.** (2018, May). "Neuropsychology of Emotion: Implications for cognitive, physical, and mental health." A six-hour CE workshop presented at the annual meeting of the South African Neuropsychological Association (SACNA) in Johannesburg, South Africa.
8. **Suchy, Y.** (2017, November). "The case of a disputed authorship." Case presentation at the Taylor & Francis Scholarly Summit in Washington, D.C.
9. **Suchy, Y.** (2017, July). "Executive functioning: A comprehensive guide for clinical practice." Three-hour CE workshop presented at the mid-year meeting of the International Neuropsychological Society (INS) in Capetown, South Africa.
10. **Suchy, Y.** (2016, June). "Executive functioning." Three-hour CE workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology (AACN) in Chicago, IL.
11. **Suchy, Y. & Donders, J.** (2016, June). "Guidance on writing high-quality, constructive, and helpful reviews." One-hour CE workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology (AACN) in Chicago, IL.
12. **Suchy, Y.** (2015, November). "Emotions and Executive Functions." *International conference address* presented at the annual SBNp meeting in Natal, Brazil.
13. **Suchy, Y.** (2015, November). "Ethical practitioner: Assessing executive functioning in an emotional world." CE workshop presented at the annual meeting of the National Academy of Neuropsychology (NAN).

14. **Suchy, Y. & Sweet, J.J.** (2015, June). "Journal publishing Part 1: Guidance for authors toward evidence-based practice." Presented at the annual meeting of American Academy of Clinical Neuropsychology (AACN) in San Francisco, CA.
15. **Suchy, Y. & Sweet, J.J.** (2015, June). "Journal publishing Part 2: Increasing research worthiness and reproducibility through reporting guidelines." Presented at the annual meeting of American Academy of Clinical Neuropsychology (AACN) in San Francisco, CA.
16. **Suchy, Y.** (2014, March). "Executive functioning: A construct in crisis." Presented at the *National Leaders in Neuropsychology* seminar at the University of Florida.
17. **Suchy, Y.** (2014, March). "Neuropsychology of Emotion and Personality: Integrating theory and practice. Three-hour CE workshop presented at annual meeting of the Pacific Northwest Neuropsychological Society.
18. **Suchy, Y.** (2011, October). "Clinical neuropsychology of emotion, executive functioning, and physical and mental health." Six-hour CE workshop presented at the Montana Psychological Association meeting in Bozeman, Montana.
19. **Suchy, Y.** (2011, February). "Neuropsychology of emotion and personality." Three-hour CE workshop presented at the meeting of the International Neuropsychological Society (INS) in Boston, MA.
20. **Suchy, Y.** (2011, February). "Executive functioning, emotion regulation, and physical and mental health." 90-minute CE workshop presented at the meeting of the International Neuropsychological Society in Boston, MA.
21. **Suchy, Y.** (2009, June). "Neuropsychology of emotion and personality: Integrating theory and practice." Three-hour CE workshop presented at the annual meeting of the American Academy of Clinical Neuropsychology (AACN) in San Diego, CA.
22. Bobholz, J., **Suchy, Y.**, Marcopulos, B., Hammeke, T., Schretlen, D. (2008, October). "Clinical neuropsychology course." One week course in clinical neuropsychology for graduate students and practicing professionals. Charles University, Prague, Czech Republic.
23. **Suchy, Y.** (2008, January). "Brain, cognitions, emotions, and criminal behavior." One hour CE workshop presented at the Department of Corrections, Salt Lake City, UT.
24. **Suchy, Y.** (2007, November). "Neuropsychological assessment of the elderly." Full-day CE workshop presented at the Wyoming State Hospital in Evanston, WY.
25. **Suchy, Y.** (2007, April). "Schizophrenia: A disease of the brain." Half-day CE workshop presented at the Wyoming State Hospital in Evanston, WY.
26. **Suchy, Y.** (2007, April). "Neurocognitive changes associated with exposure to alcohol and other drugs." Half-day CE workshop presented at the Wyoming State Hospital in Evanston, WY.
27. **Suchy, Y.** (2006, November). "Neuropsychology of emotion: Integration of theory and practice." Half-day CE workshop presented at the National Academy of Neuropsychology meeting in San Antonio, TX.
28. **Suchy, Y.** (2005, November). "Neuropsychological evaluations: What does it all mean." Two-hour CE workshop presented at the Gentiva Rehab without Walls.
29. **Suchy, Y.** (2005, November). "The role of emotions and psychopathology in cognitive processing." Half-day CE workshop presented at the Wyoming State Hospital.

30. **Suchy, Y.** (2005, November). "The thin line between neuropsychological and psychological assessments." Half-day CE workshop presented at the Wyoming State Hospital in Evanston, WY.
31. **Suchy, Y.** (2005, March). "Neuropsychology in the diagnosis and treatment of TBI." Presented at the Brain Injury Conference, Salt Lake City, UT.
32. **Suchy, Y.** (2005, February). "Neuropsychological assessment of the elderly." Full-day CE workshop presented at the Wyoming State Hospital in Evanston, WY.
33. **Suchy, Y.** (2004, September). "The interhemispheric transfer hypothesis of switching." Colloquium presented at the Brigham Young University, Provo, UT.
34. **Suchy, Y.** (2004, August). "How to be a good consumer of neuropsychological reports." One hour lecture presented at the Brain Injury Association of Utah Return to Work Program.
35. **Suchy, Y.** (2004, May). "Neuropsychology of Emotion." Half-day CE workshop presented at the Utah Psychological Association Meeting in Salt Lake City, UT.
36. **Suchy, Y.** (2004, May). "Clinical neuropsychology in the United States: What, how, and why." Half-day seminar presented at the Czech and Moravian Psychological Society seminar series in Prague, Czech Republic.
37. **Suchy, Y.** (2004, May). "Neuropsychological screening vs. neuropsychological assessment." Half-day CE workshop presented at the Wyoming State Hospital.
38. Kosson, D.S. & **Suchy, Y.** (2001, July). "State-dependent mechanisms underlying psychopathy may also help explain borderline personality disorder: The left hemisphere activation hypothesis." Presented at the NIMH-sponsored meeting "New Directions for Borderline Personality" in New York, NY.

PEER-REVIEWED CONFERENCE PRESENTATIONS AND ABSTRACTS

(students supervised as co-authors are *italicized*)

1. Crook, C., Rivera, M.M., Hilsabeck, R., Olsen, J., Savin, M., & **Suchy, Y.** (2019). Advancing science through diversity and inclusion in the editorial process: A case study. *Archives of Clinical Neuropsychology* (conference proceedings abstract).
2. Berg, C, **Suchy, Y.**, Allen, N., deGrey, R.K., Cambbell, M.J., & Helgeson, V. (2019, November). Cognitive function in couples and collaborative involvement in type 1 diabetes management. Poster presented at Gerontological Society of America Meetings, Austin, TX.
3. *Niermeyer, M.A., Roth, K., Ray, A., & Suchy, Y.* (2019, February). Executive functioning and expressive suppression among older adults: The role of non-restorative sleep and pain severity. Poster presented at the Annual meeting of the International Neuropsychological Society in New York.
4. *Ziennik, R., Suchy, Y, and Niermeyer, M.A.* (2019, February). The deleterious impact of reported expressive suppression in daily life persists at future resting in community dwelling older adults. Poster presented at the Annual meeting of the International Neuropsychological Society in New York.

5. Roth, K., Niermeyer, M.A., Gibbs, M., Ray, A., & Suchy, Y. (2019, February). Executive functioning as a predictor of walking speed and counting accuracy during dual task walking. Poster presented at the Annual meeting of the International Neuropsychological Society in New York.
6. Suchy, Y., Ziennik, R.E., Niermeyer, M.A. (2018, October). Self-reported complexity of daily life moderates the association between executive functioning and daily medication management in community dwelling older adults. Paper presented at the annual meeting of the National Academy of Neuropsychology in New Orleans, LA.
7. Niermeyer, M.A., Taggart-Neria, J., Barron, C., Heyrend, R., Ray, A., Gillespie, A., Ziennik, R.E., & Suchy, Y. (2018, February). Executive functioning's relationship to gait speed among older adults: Does measurement matter? Poster presented at the Poster presented at the Annual Meeting of the International Neuropsychological Society, Washington, DC.
8. Ziennik, R.E.; Gibbs, Nilssen, A.R.; Lopez, S.; Taggart-Neria, J., Niermeyer, M.A., & Suchy, Y. (2018, February). Office- based measures of medication management as predictors of real-world medication management Poster presented at the Poster presented at the Annual Meeting of the International Neuropsychological Society, Washington, DC.
9. Suchy, Y. (2017, November). Increasing the diversity on editorial boards. Poster presentation at the Taylor & Francis Scholarly Summit in Washington, D.C.
10. Bernabe, P., Niermeyer, M.A., Neria, J., Gillespie, A., Barron, C., Heyrend, R., Ray, A., & Suchy, Y. (2017, October). Global cognitive status predicts scores variability in single- and dual-task walking among older adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology, Boston, MA.
11. Bernabe, P., Niermeyer, M.A., Neria, J., Gillespie, A., Barron, C., Heyrend, R., Ray, A., & Suchy, Y. (2017, October). First session of dual task walking significantly different from subsequent examinations for older adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology, Boston, MA.
12. Lopez, S., Ziennik, R.E., Bateman, C., Ocanovic, Z., Nilssen, A.R. & Suchy, Y. (2017, October). Investigating ecological validity of the DRS-2 as a predictor of daily functioning: Why outcome variables matter. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology, Boston, MA.
13. Niermeyer, M.A., Franchow, E.I., Barron, C., Heyrend, R., Ray, A., Meredith, S., Ziennik, R.E., O'Connor, E., & Suchy, Y. (2017, October) Reported expressive suppression in daily life is related to lower executive functioning and slower action planning among older adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology, Boston, MA.
14. Ziennik, R.E., Niermeyer, M.A., Nilssen, A.R., Ocanovic, Z., Bateman, C., O'Connor, E., & Suchy, Y. (2017, October) Expressive suppression as a predictor of medication management in healthy older adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology, Boston, MA.
15. McKinney, T. Vaccariello, E., Euler, M., Suchy, Y (2017, February). Medial frontal theta dynamics predict temperamental self-regulation but not executive response inhibition. Poster presentation at the Annual Meeting of the International Neuropsychological Society. February: New Orleans, LA.

16. *Niermeyer, M.A., Ziemnik, R.E., & Suchy, Y.* (2017, February) Slower Action Planning is Associated with More Obstacle Contacts During an Obstructed Walking Task Poster presentation at the Annual Meeting of the International Neuropsychological Society. February: New Orleans, LA.
17. *Ziemnik, R.E, Niermeyer, M.A., & Suchy, Y.* (2017, February) Predictors of Medication Management: Contrasting Verisimilitude and Veridicality Poster presentation at the Annual Meeting of the International Neuropsychological Society. February: New Orleans, LA.
18. *Franchow, E.I., Niermeyer, M.A., Ziemnik, R.E, Barron, C., Heyrend, R., Battiloro, B. & Suchy, Y.* (2017, February) Naturally-Occurring Expressive Suppression in Older Adulthood: Beyond Executive Functioning. Poster presentation at the Annual Meeting of the International Neuropsychological Society. February: New Orleans, LA.
19. *Wiebe, D., Baucom, K.J.W., Wolfe, K., Silva, S., Huntbach, B.A., Berg, C., & Suchy, Y.* (2017). Depressive symptoms moderate links between self-regulation and type 1 diabetes management in late adolescents. *Annals of Behavioral Medicine, 51*, S789-S790. (conference proceedings abstract),
20. *Niermeyer, M.A., Ziemnik, R.E, & Suchy, Y.* (2016, October) Hyperkinetic Perseveration Among Healthy Older Adults is Associated with More Obstacle Contacts and Slower Completion Times During an Obstructed Walking Task. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology. Seattle, WA.
21. *Ziemnik, R.E, Niermeyer, M.A., & Suchy, Y.* (2016, October) Hyperkinetic Perseveration and Errors on the Pillbox Test as Predictors of Medication Management in Healthy Older Adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology. Seattle, WA.
22. *Niermeyer, M., Franchow, E.I., & Suchy, Y.* (2016, February). Motor Sequence Learning in Older Adulthood: Effects of Complexity and Relationships with Executive Functioning. Poster presentation at the Annual Meeting of the International Neuropsychological Society. Boston, MA.
23. *Franchow, E., Niermeyer, M., Ball, J., & Suchy, Y.* (2016, February). Expressive suppression in older adulthood differentially depletes executive functioning. Poster accepted for presentation at the meeting of the International Neuropsychological Society, Boston, MA.
24. *Ziemnik, R.E, Niermeyer, M., Franchow, E.I., & Suchy, Y.* (2016, February). Reaction to Novelty as a Predictor of Reduced Executive Functioning Following an Expressive Suppression Task. Poster presentation at the Annual Meeting of the International Neuropsychological Society. Boston, MA.
25. *Niermeyer, M., Franchow, E.I., & Suchy, Y.* (2015, November). Increased Reliance on Executive Functioning during Motor Sequencing in Older Adults. Poster presentation at the Annual Meeting of the National Academy of Neuropsychology meeting, Austin, TX.
26. *Turner, S. L., Suchy, Y., Queen, T. L., Duraccio, K., Wiebe, D., Butner, J. E., ... & Berg, C. A.* (2015, June). Assessing executive function in adolescents with type 1 diabetes: Relations to adherence and glycemic control. Poster presented at the American Diabetes Association Annual Meeting, Boston, MA.

27. *Huntbach, B., & Suchy, Y.* (2015, February). Predicting performance on sequencing and backward span tasks using a verbal and nonverbal n-back task. Poster presented at the annual meeting of the International Neuropsychological Society in Denver, Co.
28. *Huntbach, B., Eastvold, A., & Suchy, Y.* (2015, February). Differences in self-reported executive functioning between pedophilic and non-pedophilic sex offenders. Poster presented at the annual meeting of the International Neuropsychological Society in Denver, Co.

INVITED TALKS AND WORKSHOPS (COMMUNITY)

Suchy, Y. (2019, April). "Brain health and aging." A lecture presented at the Olympus Senior Center.

Suchy, Y. (2019, February). "Staying independent and being good at it." A lecture presented at the Olympus Senior Center.

Suchy, Y. (2011, April). "Staying independent and being good at it." A lecture for the University of Utah OSHER course.

Suchy, Y. (2009, April). Panelist: "How does neuropsychology test for and evaluate deficits: Experts tackle difficult questions." Brain Injury Conference: Utah Association for Justice, Salt Lake City, UT.

TEACHING EXPERIENCE

Graduate Courses Taught:

Clinical Neuropsychology of Emotion (seminar) (2011)
Medical Neuropsychology (seminar) (2010, 2017)
Interviewing (yearly, 2003 to 2008)
Clinical Foundational Skills (2017 to present)
Cognitive Assessment (yearly, 2003 to 2008, 2012 to 2014)
Cognitive Neuropsychology (2002, 2003)
Neuropsychology of Emotion (2001, 2003)
Neuropsychological Assessment Prepracticum (yearly, 2004 to 2011)
Neuropsychological Assessment Practicum: Assessment, Observation, and Supervision (yearly, 2005 to 2012; 2018)
Biological Bases of Affective and Cognitive Processes (2019, spring)

Undergraduate Courses Taught:

Neuropsychology of Emotion and Personality (2013, 2014)
Your Brain and its Emotions (2009)
Cases in Clinical Neuropsychology (2003)
Psychology of Human Sexuality (1997)
Physiological Psychology (TA, 1993)
Introduction to Psychology (TA, 1992)

Graduate Advisees:

Primary research advisees:

Mikle South, Ph.D. (2002 to 2004)
Angela Eastvold, Ph.D. (2003 to 2009)
Matt Kraybill, Ph.D. (2004 to 2010)
Lydia Hamilton, M.S. (2004 to 2007; terminal Masters)
Jen Larson, Ph.D. (2007 to 2013)
Ashley Young (2009 to 2010; left before Masters)
Sommer Thorgusen, Ph.D. (2010 to 2014)
Emilie Franchow, Ph.D. (2010 to 2016)
Borah Kim (2012 to 2013; left before Masters)
Madison Niemeyer, Ph.D. (2014 to 2019)
Rosemary Ziemnik, M.S. (2015 to 2019; terminal Masters)
Nicholas Pennington, M.S. (2016 to 2017; left before Ph.D.)
Stacey Brothers (2018 to present)

Research co-advisees:

Wilson J. Whittaker, Ph.D. (2003-2006)
Michele Villalobos, Ph.D. (2005 to 2007)
J.C. Norling, Ph.D. (2006 to 2008)
Holly Rau, Ph.D. (2006 to 2016)

CLINICAL EXPERIENCE

Clinical populations and settings

- Forensic (civil and criminal) work (adult outpatient cases, typically with a history of TBI, but also include suspected neurocognitive dysfunction secondary to a medical condition, including kidney failure and the effects of general anesthesia).
- Trainee supervision (neuropsychological evaluations and report writing).
- Neuropsychological evaluations of adults
 - Diagnostic groups: TBI, CVA, Pre-/post Neurosurgery, Progressive Neurodegenerative Disorders, Seizure Disorder, Multiple Sclerosis, Intracranial Neoplasm, Somatoform Disorders, Mood and Anxiety Disorders, Psychotic Disorders, Substance Abuse, Malingering, and others
 - Settings: Outpatient clinic, Inpatient medical, psychiatric, and rehabilitation
- Psychotherapy with neurologically compromised adults

Clinical affiliations

- University of Utah Neuropsychology Clinic (2002 to present)
- Neuropsychology consultant for the Wyoming State Hospital (2003-2007)
- *Pro-bono* work for the Brain Injury Association of Utah Return to Work Program (2003-2007). These are generally adult outpatient cases, generally chronic TBIs, often with considerable psychiatric and/or medical complications. The assessments focus on rehabilitation recommendations, work/school placement, etc.
- Staff neuropsychologist for Gentiva Rehab without Walls (2003-2007). These were adult outpatient cases, generally post-acute TBIs. The assessments focus on rehabilitation recommendations, work/school placement, etc.
