To Whom It May Concern:

Students enrolled in Psychology 4130 (Cognition in the Wild) are required to participate in a 5-day field trip leaving the University of Utah on Wednesday April 11, 2018 at 8:30AM and returning on Sunday April 15, 2016 at 4:00 PM. The field trip and presentation in the field are required and contribute 60% of the student's grade in the class. Please excuse students from your class or work to participate in the field trip. If I can answer any questions pertaining to my class, please feel free to contact me at (801) 581-5037. Thanks in advance for your support.

Sincerely,

David Strayer, Ph.D.  
Professor, Cognition and Neural Science
